

SANDBAG FILLING STAND

QUALITY STANDARDS

DO NOT SHIP IF ANY OF THESE ARE TRUE

1

Any weld has visible cracks.

2

The stand wobbles more than 1/8" on a flat concrete floor.

3

The frame measures more than 1/4" out of spec.

Spec: 26 3/4" × 9 3/4"

4

Any rivet hole is more than 10° off square.

5

Any weld spatter remains on the frame.

6

Any bare metal shows after the dip paint has cured.

7

Any rivet has a sharp edge that catches skin.

8

Hinge binds, squeaks, or sticks during a 3-cycle open/close test.
